The Mega Drawing worth \$133 million was held Tuesday night. The second place ticket, the one with five out of five numbers drawn is worth \$297,256. That ticket was sold at the 7/11 Store on Ocotillo Drive in El Centro. The California Lottery says as of Wednesday morning, the ticket had not been claimed. The winning numbers were 39-25-27-38-35 and the Mega number was 28. The lottery is reminding who ever has the winning ticket to sign the back, put the ticket in a safe place and contact Lottery officials. The number is on the ticket. Winners have 180 days to claim their prizes.
